

MEMBER BENEFITS

When you become accredited by the CPD Standards Office, you get more than just a mark of accreditation. As a member of our community, you will benefit from the below:

Exclusive Accreditation Logo: Gain instant credibility and trust with our accreditation logo, proudly showcasing your commitment to excellence. Let your learners know that you meet the highest standards of quality and effectiveness.

Digital Badge for Distinction: Stand out from your competitors with our eye-catching digital badge prominently displayed on your website and marketing materials. It's a powerful symbol that instantly differentiates you as an accredited training provider.

Special subscription rates for speakers, trainers and training organisations exclusive to PSA members.

Dedicated Account Manager: Our committed account managers are here to provide personalised support throughout your membership. From answering queries to offering guidance, we're by your side every step of the way.

Members Area Access: Enjoy a designated members area within the CPDSO website, granting you access to valuable and up-to-date information related to your accreditation. Stay informed and connected with ease.

Free Webinars and Events: Stay ahead of the curve with complimentary access to our regular webinars and face-to-face member events. Gain insights into the latest educational topics and network with fellow professionals.

Extensive Online Resources: Access a wealth of high-quality online resources, including articles, guides, and tools designed to enhance your training expertise and keep you at the forefront of industry trends.

Exclusive Certifier.io Discounts: Enjoy exclusive discounts on the Certifier.io platform, allowing you to issue CPD-accredited certificates efficiently and seamlessly.

Free Access to the Institute of CPD: Give your learners a competitive edge with one year of free access to the Institute of CPD. They can learn how to reflect on their CPD activities and build an impressive learning portfolio.

Be Part of the CPD Research Project: Join our prestigious international CPD Research Project and contribute to the shaping and updating of standards for continuous professional development. Influence the future of the field while showcasing your expertise.

Listing in the Largest CPD Directory: Increase your visibility and reach by being listed in the UK's largest directory of accredited training activities. Connect with learners actively seeking reputable and valuable educational experiences.
